PURPLE COMPUTER

The Play Room

Videos and help: purplecomputer.org/help

In the **Play** room, type anything, then press **Enter**.

Words become pictures

`cat`	a cat
`3 cats`	three of them
`pink fish`	colors and pictures together

Numbers

`2 + 3`	the answer, with dots to count
`3 x 4 bananas`	twelve bananas
`1234`	an abacus
`2 4 6 8...`	keep a pattern going

Colors

`red + blue`	mix like paint
`2 dark red`	two dark red squares

Talking

`cat!`	add **!** and Purple says it
`say hello`	or start with **say**

Code for Art, Music and Blocks on the back →

PURPLE COMPUTER

Write Code

Videos and help: purplecomputer.org/help

In **Art**, **Music** or **Blocks**, press `Esc` then `Space`. `↓` shows ideas. Typos get fixed for you.

Art

`right 5`	paint 5 squares
`brush up`	move without painting
`write hi`	letters on the grid
`red repeat 4 forward 6 turn`	a square!

Music

`asdf`	play those keys, **`1234`** for drums
`fast qwertyuiop`	quick notes, or **`slow`**
`choose ukulele zxcvbnm`	pick a sound, then play

Blocks

`red up 5`	a tower
`right hello`	a block per letter
`green repeat 4 right 1 up 1`	stairs
