3 Type

Videos and help: purplecomputer.org/help

In the **Play** room, type anything, then press `Enter`.

Words become pictures

`cat`	a cat
`3 cats`	three of them
`pink fish`	colors and pictures together

Numbers

`2 + 3`	the answer, with dots to count
`3 x 4 bananas`	twelve bananas
`1234`	an abacus
`2 4 6 8...`	keep a pattern going

Colors

`red + blue`	mix like paint
`2 dark red`	two dark red squares

Talking

`cat!`	add `!` and Purple says it
`say hello`	or start with **say**
